- Use of Toasted Barley Malt for a more profound complexity
- Non-chilled filtered for a robust profile and mouthfeel
- Pot distilled for a Pre-Prohibition style that is full-bodied
- Low Distillation Proof of 137 for depth of flavor
- Low Barrel Entry Proof of 110 for well-rounded palette

Aroma: the vanillas, caramels, and sweet notes you expect from a wheat bourbon, but being a single barrel, it has its uniqueness with notes of spiced brown sugared apples, sassafras tea, and honey.

Taste: On the palette, you will detect a dark richness of brown sugar, dried cherries, and a hint of spice with a touch of citrus.
